REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Berea High School has become one of the most diverse schools in Greenville County. Our current student population is reflective of this diverse community, with approximately a third of each major ethnic race represented. We believe that this diversity has made us stronger and, as evidenced by our test scores, we continue to outpace ourselves each year. We have embraced our new demographics, while still remaining true to our traditional community. Our centennial year ended with positive responses from our alumni and with renewed enthusiasm for the future.

The 2012-2013 school year also continued our tradition of increasing test scores. We have again increased our End of Course exam scores for the seventh consecutive year. This rise in test scores helped us to receive our second consecutive Palmetto Silver award. In addition, we were recognized nationally again this year, receiving a second consecutive Bronze medal from US News and World Report in their best high schools edition. Over 40% of all students also qualified for our Renaissance program, which requires students to have above a 3.0 GPA and not receive any major disciplinary referrals.

Our boys' and girls' book clubs continued to grow, showing that reading is not only fun but is cool as well. Almost 45% of our students participated in "Bad Boyz Read" or "Glam Girls" book clubs. Our nationally recognized Air Force NJROTC program again received the Distinguished Unit Award, their ninth consecutive.

We celebrated our 50th year of football and marching band this past year. We had former players, cheerleaders, and members of the band return for a celebration during football season. We also inducted our inaugural Hall of Fame class, and dedicated our Hall of Fame Room this past fall. Our athletic teams continue to show progress. Both boys' and girls' basketball teams made the playoffs this year.

We believe that our success will continue because our faculty has built a highly collaborative environment, and they continue to put student interests before their own. Our goal is to provide a high quality education to all students and to prepare them to be successful in all aspects of their lives after high school. With the help and support of our community, we have no doubt that we can and will accomplish our mission.

Sincerely,

Mike Noel, Principal ■■■ Madeline Fletcher, SIC Chair
